

CIELO XL

DESCRIPTION

The minimalist Cielo pendant Series is expanding to include the stunning new Cielo XL, a taller and slimmer design offering premium machined aluminum finishes and boasting a warm and brilliant 1200 lumen output. Cielo XL is scaled perfectly for hospitality and residential environments alike and can be suspended individually, in a series or as chandelier groupings to provide focused illumination that is both perfectly balanced and glare free. Cielo XL is fully dimmable and employs state of the art flat panel LED technology which is rated for up to 50K hours of use.

CIELO XL MULTI-LIGHT

DESCRIPTION

Cielo XL's stunning machined aluminum design can be suspended in a variety of unique custom arrangements with both round and linear canopy solutions. With Cielo XL Multi-Light, up to 9 lamps can be grouped together in a variety mixed sizes to form impressive luminaire displays. Both size and shape of the grouping is controlled by lamp quantity and positioning relative to the Multi-Light canopy. Swag mounts are provided to extend the lights out into space along with an ample height adjustable cord length of 10' (304cm) to offer a wide range of unique custom configurations.
