

PIXO PLUS

DESCRIPTION

Pixo Plus now integrates ultra-convenient wireless charging technology + USB port for the ultimate task lighting experience. Designed for maximum utility in a minimal footprint, this compact and efficient LED task light is highly adjustable, allowing you to focus warm, glare-free light where you need it most. For added convenience, the elegant form factor features full-range dimming via its intuitive optical switch with a newly designed wireless charging base + USB port which can support all mobile phones equipped with wireless charging capability. Pixo Plus is available in an expansive array of expressive and sophisticated colors to suite every discerning taste.

FIXTURE TYPE

Table

LIGHT SOURCE

(78x) High-output LED array
